## **Land Use Department Inspection Scheduling Mandatory through Voice Inspections & Permits System (VIPS)**

**Starting August 1, 2009, all building permit inspection requests must be made through the Voice Inspections and Permits System (VIPS).**

- After calling 955-6110, the permit holder will be prompted to enter a six-digit permit-specific phone access code (printed on the permit).
- The permit holder will then be prompted through scheduling the inspection. All inspections required for completion will be printed on the permit.
- Additional instructions will be provided when the permit is issued and picked up at the Building Permits counter at City Hall.
